

# THE BEST AND THE WORST: STADIUM COMPLIANCE AND SAFETY

Stadium compliance is not optional. Without it, athletes, performers, employees and guests are at serious risk of injury.

## NOT COMPLIANT

Ignoring safety regulations can put athletes, performers, employees and guests in danger. Noncompliance can lead to:

- ✗ Data Loss
- ✗ Mass Panic
- ✗ Loss of business
- ✗ Security Camera Outages
- ✗ Delayed Reopenings
- ✗ Hackers gaining control of jumbotron and electric displays

## Spectrum of Compliance

## COMPLIANT

Compliant stadiums follow guidance from many regulators. These fall into three categories of compliance:

### FINANCIAL
